Please note that the above Consortium and Coverholder (C&C) number forms part of a mixed consortium stamp with the Company stamp Houston Casualty Company (UK Branch) Marine Account H5100 where the Apollo Builders' Risk Consortium at Lloyd's consortium stamp shows the company stamp under the Lloyd's stamp.

The Leader of this consortium is Apollo Syndicate Management Limited APL 1969, who will place the C&C stamp for the Apollo Builders' Risk Consortium at Lloyd's, reflecting 75% of the total signed line of the Consortium. Below this stamp, there will be the Company Stamp for Houston Casualty Company (UK Branch) Marine Account H5100 for the remaining 25% of the total signed line of the consortium together forming the mixed consortium stamp.

Instruction for Bureaux submissions (LIRMA and Lloyd's): Settlement against Houston Casualty Company (UK Branch) Marine Account H5100 25% will be via central settlement via the IMR to the LIRMA Company Bureau. This must be submitted separately and must not be included in the Lloyd's LPAN. The Lloyd's consortium participation is already stated at 100% of the 75% Lloyd's proportion as above. Together, the C&C Stamp and the Company participation forms 100% of the consortium's participation for any risk bound by the Apollo Builders' Risk Consortium at Lloyd's.
